THE BEST SHOTS YALE MEN

Beat Harvard and Princeton Gunners by Fair Scores.

BOSTON, Mass., Nov. 7.-Yale gunners beat those at Harvard and Princeton here to-day in the interscholastic school. The Harvard butts are on low ground and wind and tide so backed up the Charles River that the last men who were at the targets had to stand in four inches of water and

shoot out to sea. The match was for a silver cup, to be shot for by teams of five men each, at clay pig-eons, thrown from three traps at unknown angles. It was the intention to fire thirty shots each, but it was impossible to finish the last round, and the match was agreed upon as decided by the first five rounds. Considering the many drawbacks, the scores were generally good. The score by teams is as follows:

THE SAY FIRM IS A FRAUD.

Serious Charges Made Against Commission Merchants in Brooklyn.

Serious allegations against Lovejoy & Son Serious allegations against Lovejoy & Son and J. L. Harvey, commission merchants, were made yesterday before Justice Van Wyck in the Supreme Court, Brooklyn, by Wilson & Brother, who are suing them for the balance due on accounts. Wilson & Brother claim that J. L. Harvey constitutes the firm of Lovejoy & Son, and that the entire concern is fraudulent.

Lovejoy & Son is supposed to be a Providence (R. I.) company, but it is not known there. Its Brooklyn headquarters is on Palmer's Dock, where Harvey has received shipments of potatoes consigned to it. Wilson & Brother say that Harvey and Loveson & Brother say that Harvey and Love-joy & Son have obtained several consign-ments of potatoes from them, but have not paid, and they fear the concern is about to decamp with the proceeds of the sale of the potatoes. Justice Van Wyck reserved decision.
